Please complete all sections (as applicable). Incomplete applications will delay processing and may be returned.

To open an account and to comply with banking regulations and federal law, the following are required:

- **Completed, signed application form.**
- **Copy of the Certification of Trust or other evidence that the Trust can open the requested account. Title page, trustee page and signature page required. More information may be requested.**

Important Information about the Cash Access Account

Sweeps and Target Balances

Funds will be swept to fund your account on the first business day after it is opened. This will occur regardless of whether additional deposits are included with the application. The monthly sweep will take place on the 20th day of each month (or the first business day thereafter) to reach the Target Minimum or Target Maximum balance you elect in Part 4 of this application. If you do not designate a Target Minimum balance for the CAA, it will be set at \$5,000. Designating a Target Maximum balance is optional.

Overdrafts

Checks and bill-pay items presented for payment that exceed the amount of available funds in the account will overdraft CAA accounts. Payment will be satisfied as described below. ATM withdrawals, debit card point-of-sale purchases, outgoing wire transfer requests and outgoing ACH transfer requests will not overdraft CAA accounts, as they will be declined at the time they are requested if the account does not hold sufficient funds.

Overdrafts on the SEI CAA will be satisfied from your various accounts in the following order:

1. Securities Backed Line of Credit, if applicable
2. Money Market assets in linked SEI Private Trust Company (SPTC) account (includes DCA/Holding Money Markets)

Please note that mutual funds or other assets held at SEI cannot be liquidated to satisfy an overdraft.

Financial Professionals

With regard to this application and the CAA Program relationship, your "Financial Professional" is your investment advisor. In cases where SEI Investments Management Corporation is your investment advisor, your Financial Professional is the representative who interacts on your behalf with SEI.

TotalCash® Manager Information for Financial Professionals

The CAA Program allows Financial Professionals to monitor their clients' accounts through TotalCash® Manager (TCM), an Internet-based tool. In order for a Financial Professional firm to participate in TCM, one firm representative must complete and submit a **TCM Access Authorization Agreement**. The form only needs to be completed and submitted once per firm. The form may be found on SEI's BusinessBuilder site, and detailed information about the form is available on the Financial Professional site at www.seicainfo.com.

Submission of Application

Please **mail or fax** the completed, signed CAA application and the required documentation listed above, as applicable, to:

SEI Private Trust Company
Attn: Advisor Network (Service Team)
P.O. Box 1098
Oaks, PA 19456-9907
Fax: 610.676.1021 (include the number of pages being faxed)

Note: *For faster processing, please send the application to SEI's Oaks office, not to our corporate headquarters in Delaware.*

There is no need to submit a check for initial deposit with your application, because funds will be swept from your linked SPTC account to fund your CAA the first business day after your CAA is opened. **If there are special circumstances, however, initial deposits by check may be mailed with this application form.** Make checks payable to SEI Cash Access, and include on the "memo" line the name of the Trust applicant. *Note that funds will be swept into your account the first business day after it is opened, regardless of whether you submit a check for deposit with your application.*

Please note that for new customers, special extended holds on deposits will apply during the first 30 days after account opening. For details, visit our Web site and navigate to "Disclosures and Privacy Practices > Disclosures > Funds Availability."

Account Processing

Once we receive your application in SEI's Oaks office, processing will take two to three business days. Your Financial Professional will be notified if any additional information is required for us to open the account.

You will receive the following items, as applicable, an average of 7-10 business days after account opening:

- Welcome email/letter, which includes your password for online account access
- Welcome Kit (if this is your first account with SEI Cash Access), which includes your user ID for online account access and instructions for getting online
- Initial order of checks, if applicable

SEI Cash Access
Attn: Deposit Processing
P.O. Box 15329

Important Information About Procedures for Opening a New Account

The SEI Cash Access Account (CAA) program is only available to: (a) accounts registered to U.S. account holders with U.S. addresses; (b) accounts that are not pledged to an outside institution; and (c) accounts for which distributions/withdrawals are not restricted.

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify and record information that identifies each customer who opens an account. What this means for you: when you open an account, we will ask you your name, address, date of birth and other information that will allow us to identify you. We may also ask to see a copy of your driver's license or other identifying documents.

Please read and complete the entire application form (Parts 1-10, as applicable). Please keep a copy of the application for your records.

PART 3: SEI Cash Access Target Balance Elections and Instructions for Monthly Sweeps

SEI Cash Access Account Target Balance Elections

Starting the first business day after your account is opened, and subsequently on the 20th day of each month (or the first business day thereafter), funds will automatically be transferred to or from your SEI CAA according to your instructions below.

The **Target Minimum balance** is the **lowest** amount you would like available in this checking account after the monthly sweep. If your checking account balance is less than your Target Minimum amount, we will sweep funds from your linked SPTC account to your CAA to bring your checking account balance up to this minimum.

The **Target Maximum balance** is the **highest** amount you would like available after the monthly sweep. If your checking account balance is more than your Target Maximum, we will sweep funds from your CAA to your linked SPTC account to bring your checking account balance down to that maximum.

Provide your target minimum and maximum (optional) balances below, and provide investment instructions for funds being transferred from the SEI CAA to the linked SPTC account.

<p>CAA Target Minimum Balance: If no amount is entered, minimum will be set at \$5,000.</p>	<p>\$ _____ (minimum of \$5,000) This amount also reflects the initial funding amount for the account that will take place the first business day after account opening, regardless of whether additional deposits are submitted with the application.</p>
<p>CAA Target Maximum Balance: (optional)</p>	<p>\$ _____ (optional)</p>
<p>Instructions for Target Maximum Sweep and Manual Transfers Funds being transferred from the SEI CAA to the linked SPTC account for the Target Maximum monthly sweep or by manual transfer should be invested at SPTC as follows (select one). By selecting this option, funds being transferred will remain in the money market position until SEI receives further instructions.</small></p>

The **automatic sweep** to the SEI CAA will be satisfied from your linked SPTC account in the following order:

- Money Market assets in linked SPTC account (excludes DCA/Holding MMs)
- If Model: Sold proportionately across model up to 90% (by value) of the assets present
- If Non-Model: Sold proportionately up to 90% (by value) of the SEI mutual funds in the account

Please note that non-mutual fund assets (i.e., stocks and bonds) cannot be liquidated to satisfy the automatic target balance. **DCA/Holding money market funds are excluded from the monthly sweep.**

Electronic Fund Transfer Disclosure

We presently offer many bank services that may be considered “Electronic Fund Transfers,” including, but not limited to, ATM transactions through the NYCE®, PLUS®, Pulse® and STAR® networks; point-of-sale transactions; ACH transactions, including, but not limited to, direct deposits and preauthorized withdrawals; automated telephone transfers; and online transfers. This disclosure (as required by Federal Regulation E: Electronic Fund Transfer Act) provides information that describes your rights and responsibilities regarding these services. Electronic Fund Transfer services must be specifically requested and arranged. You must qualify for the service.

Unauthorized Transfers

Advise us immediately if you believe your ATM/debit card and/or PIN has been lost or stolen. Telephoning us is the best way of keeping your possible losses down. If we are advised within two (2) business days, your loss is limited to \$50, if someone used your card and/or PIN without your permission. If we are not advised within two (2) business days after you learn of the loss or theft of your card or PIN, you could lose as much as \$500.

Additionally, if your statement shows transfers that you did not make, advise us immediately. If we are not notified within 60 days after the statement mailing date or electronic statement notification date, you may not recoup funds lost after the 60 days, if we can prove that contacting us would have prevented the loss. If a justified reason kept you from notifying us (appropriate documentation may be required), we may extend the time periods.

If you believe that your card or PIN has been lost or stolen or that someone has transferred or may transfer money from your account without your permission, immediately contact our Customer Service Center. You may be required to confirm the information provided by writing to us at the following address:

ATM and Debit Card Transactions

Consistent with applicable law, you may use your ATM or debit card with your PIN to perform most routine transactions on the accounts that are accessible by your ATM or debit card.

You can use your ATM or debit card to:

- Make cash withdrawals
- Make deposits of cash, checks, or drafts
- Transfer funds among Bank accounts linked to the same card
- Obtain your most recently available account balance
- Pay for purchases at places that have agreed to accept the card

Some of the above services may not be available at all ATMs or locations.

International ATM Transactions

International transactions requested through your ATM or debit card are converted to U.S. currency according to the rules and regulations of the ATM network. The conversion of the currency to U.S. currency may occur on a date other than your original transaction date, and fees may be assessed by these networks. You are responsible for the U.S. currency amount plus any fees assessed for the currency conversion. Some services may not be available at international ATM terminals. International ATM transactions may be subject to a fee in accordance with our Schedule of Fees.

ATM Deposits

Deposits made through an ATM are posted to your account according to the terms and conditions of your account as outlined in this Agreement and our Truth in Savings Disclosures. Your funds will become available for your use in accordance with the schedule outlined in our Funds Availability Policy disclosure. Not all ATM terminals accept deposits.

ATM Card Point-of-Sale Transactions

Consistent with applicable law, you may use your ATM card with your PIN at any retail establishment where ATM cards are accepted to purchase goods and services and/or to obtain cash where permitted by the merchant. The amount of all purchases, including any cash obtained, will be deducted from your primary account, which is the first account opened.

Limitations on Frequency of ATM Transactions and Cash Withdrawal Limits

Frequency-of-use limitations are imposed on ATM transactions for security reasons and for the protection of your account. They are not disclosed for this reason and may be changed at any time. You will be denied the use of your ATM or debit card if:

- You exceed the daily ATM withdrawal or purchase limit;
- You do not have sufficient available funds in your account;
- You do not enter your correct PIN; or
- You exceed the limit on the number of times you can use your card each day.

The receipt provided by the ATM or merchant terminal will notify you of the denial. There is a limit on the number of such denials permitted, beyond which the machine may retain your ATM or debit card. The number of attempts that will cause the retention of your ATM or debit card is also not disclosed for security reasons.

The ATM daily withdrawal limit is \$1,000.

Debit Card Transactions and Daily Limits

Consistent with applicable law, you may use your debit card to purchase goods and services and/or obtain cash where permitted by the merchant, from any merchant who accepts Visa® Debit Card. The merchant will require your signature instead of your PIN to authorize the purchase request. You may also use your debit card with your PIN at any merchant location where ATM cards are accepted to purchase goods and services and/or obtain cash where permitted by the merchant. The amount of all purchases, including any cash obtained, will be deducted from your checking account.

If you use your debit card number without presenting your card (such as for a mail order, telephone, or Internet purchase), the legal effect will be the same as if you used the card itself. For security reasons, we may limit the amount or number of transactions you can make on your debit card. You may not use your debit card for online gambling or any illegal transaction.

When you make a purchase through the debit card network, we may place a hold on the funds in your checking account that may be necessary to cover the amount of the transaction. (Please see “Preauthorization Holds,” below, for additional information.)

The daily limit for use of your debit card is \$10,000.

Rules of Card Association (Visa)

If you report the loss or theft of your Visa debit card within two (2) business days of when you discover the loss or theft of the card, and you have not been grossly negligent or have not engaged in fraud, you will not be liable for any unauthorized transactions using your lost or stolen debit card, when used for signature-based point-of-sale transactions. If you do not advise us within two (2) business days, your liability is the lesser of \$50 or the amount of money, property, labor or services obtained by the unauthorized use before notification to us.

Processing Procedures – Visa Debit Card

If you have a Visa debit card, new procedures are in effect that may impact you when you use your card at certain merchants.

In the past, transactions were processed as Visa debit transactions unless you entered a PIN. Now, if you do not enter a PIN, transactions may be processed as either a Visa debit transaction or a transaction processed by another network listed on the back of your card. Merchants are responsible for providing you with a clear way of choosing to make a Visa debit transaction, if they support the option.

If a network other than Visa is used when making a transaction without a PIN, different terms may apply. Certain protections and rights described in this Agreement are applicable only to Visa debit transactions and do not apply to transactions processed by another network.

PART 10 (continued from previous page)**Preauthorization Holds**

When your debit card or other network enhancement feature related to the card is used at a point-of-sale location to obtain goods or services or obtain cash, the merchant may attempt to obtain preauthorization from us for the transaction. We place a 10-business-day hold on your account for the amount of the preauthorization request, which may vary in some cases from the amount of the actual purchase, depending on the merchant's request. If the preauthorization request varies from the amount of the actual transaction, payment of the transaction may not remove the hold, which will remain on the account until the end of the tenth business day. This hold may affect the availability of funds from your checking account to pay checks or for other Electronic Fund Transfers. We will not be responsible for damages for wrongful dishonor of any items that are not paid because of the hold.

Preauthorized Debits or Credits

You may arrange to have certain recurring payments automatically deposited (credited) to your account. Examples of this service include the direct deposit of Social Security and other government payments, and the direct deposit of your payroll.

You may arrange to have certain recurring withdrawals automatically paid (debited) from your account. For example, you may arrange to have insurance premiums paid automatically.

These preauthorized transfers are governed by federal regulations pertaining to Electronic Fund Transfer services that entitle you to certain protections. Requests for these services must be authorized by you in writing prior to becoming effective.

Right to Stop Payments and Preauthorized Electronic Payments and How to Do So

If you want to permanently revoke a recurring preauthorized electronic transfer you authorized from a third party, you will need to first send written instructions to the originating third party to cancel your preauthorized transfer.

If you have authorized regular payments out of your account, you can stop any of these payments by notifying our Customer Service Center by telephone or email, or by writing to us at the address below. If you notify us by telephone, you may be required to confirm the information provided by writing to us at the following address:

Account Services
Attn: Stop Payment ACH
409 Silverside Road, Suite 105
Wilmington, DE 19809

Your request must include your account number, the name of the payee, the amount of the item to be stopped, and the date payment was scheduled to be made. This request needs to be received by us three (3) or more business days before the payment is scheduled to be made. If your request is by telephone or email, we may also require you to put your request in writing and ensure that it is received by us within 14 days after your call or email. A stop-payment fee may be charged for each stop-payment and renewal order you request in accordance with our Schedule of Fees.

You are subject to the general rules of Stop-Payment Orders in this Agreement.

Stop-Payment Liability

If you order us to stop payment on any preauthorized transfer according to the requirements above and we fail to do so, we will be liable for your proven loss or damages, unless:

- You failed to give us enough information, proper instructions or sufficient time to act on the stop-payment; or
- We do not receive written confirmation of your telephone or email request to stop payment within 14 calendar days, and the preauthorized transfer occurs after the 14 calendar days.

In any case, we will only be liable for actual proven damages if the failure to make your transaction resulted from a bona fide error on our part, despite our procedures to avoid such errors. If we pay a preauthorized transfer over your valid and timely stop order, we may re-credit your account. If we do this, you will sign a statement describing the dispute with the payee. You agree to transfer to us all of your rights against the payee. In addition, you will assist us in any legal action taken against the payee.

In addition, if you want to permanently revoke a recurring preauthorized electronic transfer, you will need to first send written instructions to the originating third party to cancel your preauthorized transfer. We may ask you to provide us with a copy of your letter to the originating third party and sign an Affidavit of "Authorization Revoked/Stop All Payments" request with us.

Notice of Varying Amounts

If authorized regular payments may vary in amount, the third party you are paying will provide the payment amount at least 10 days before each payment, along with the payment date.

Electronic Check Conversion

You may authorize a merchant or other payee to make a one-time electronic payment from your checking account using information from your check to:

- Pay for purchases
- Pay bills

2. The funds in your account are uncollected. A fee may be charged in accordance with our Schedule of Fees;

6. Your card has been reported lost or stolen and you are using the reported card;
7. We have a reason to believe that the transaction requested is unauthorized;
8. The failure is due to an equipment breakdown that you knew about when you started the transaction at an ATM or merchant terminal;
9. You attempt to complete a transaction at an ATM or merchant terminal that is not a permissible transaction listed above; or
10. The transaction would exceed security limitations on the use of your ATM or debit card.

In any case, we shall only be liable for actual proven damages if the failure to make the transaction resulted from an honest error despite our procedures to avoid such errors.

Fees and Charges

We do not charge you a fee to use your card at an ATM within the United States or internationally, or to make a point-of-sale purchase. To the extent another financial institution's ATM imposes a fee, a surcharge may appear on your ATM receipt, but the fee will not be reflected on your account.

You may, however, be assessed a fee by the card association, for example Visa or MasterCard, for using your card at an ATM or making a point-of-sale purchase.

You will pay any applicable fees and charges we assess for your ATM or debit card services and/or other electronic services that you select. Applicable fees will be deducted from your account and listed on your account statement. These charges and fees are assessed in accordance with our Schedule of Fees.

ATM/Debit Card Revocation

You agree that your ATM or debit card remains the property of the Bank, shall be surrendered upon demand, and may be revoked or cancelled at any time.

If you do not use your ATM or debit card for six (6) consecutive months, it may be cancelled for security reasons and will be unusable. This may occur without prior notice to you.

If your card is reissued or reactivated, a fee may be assessed for its reissue in accordance with our Schedule of Fees.

Funds Transfer Service

"Funds Transfer" is an electronic transfer service provided by the Bank that allows our Customers to securely transfer funds from an account at another financial institution or credit card to your account with us, and/or from your account with us to an account at another financial institution. Prior to use, Customers are required to register their external bank account and credit card for verification and security purposes.

By using the Funds Transfer service, you agree that the Bank will transfer funds through ACH services and that the transaction is subject to completion upon our final review and verification. You agree that such requests constitute authorization for such transfers. This authorization is to remain in full force until the Bank has received written notification

from you of its termination, you have electronically deleted a registered bank account or credit card from the Funds Transfer service, or you have electronically cancelled an account and/or transfers from the Funds Transfer service in such time and in such manner as to afford the Bank and the other financial institution a reasonable opportunity to act on it.

This service may be subject to a fee in accordance with our Schedule of Fees. This service may not be available for all account types. Please contact our Customer Service Department for information on availability.

By using the Funds Transfer service, you are certifying that the credit cards used to transfer from, and the registered external accounts that you transfer funds to and from, are under the same ownership as the account with us. In the event that the accounts are not titled the same or ownership among the transferring accounts changes, you will indemnify us for any losses incurred as a result of any transaction you initiate between these accounts that is later returned or is reported unauthorized. If any transfer you initiate is found to be unverifiable or cannot be completed for other reasons, you agree to hold us harmless for any loss resulting from the incomplete transfer.

If you use the Funds Transfer service to transfer funds to or from an account that has multiple signers, you agree that each signer authorizes the other signers to (a) initiate the transfer of funds between your accounts with us, as permitted by the Funds Transfer service, (b) register any external bank account or credit card, as permitted by the Funds Transfer service, and (c) initiate the transfer of funds between your account(s) with us and any registered external bank account or credit card. This authority will cease only after we have received and have been given a reasonable amount of time to act on the appropriate documentation needed to change or remove the existing signers from the account. Each of the signers agrees to be jointly and severally liable to the Bank for any losses incurred as a result of the improper use of this service up to and including the transfer amount, any applicable fees and any legal expenses.

The Bank reserves the right to limit the number of external transfers that can be linked to your account for purposes of transferring funds; to limit functionality of the Funds Transfer service by imposing limits, holds, or other measures; and to close your account if unlawful activity is found or suspected.

Overdraft Protection Through Automatic Transfers**General Information**

If you have opened a CAA account and linked it to your SPTC account, your CAA account will make automatic transfers from certain eligible funds in your SPTC account to pay overdrafts of checks and bill-pay items. If the amount of available cash from the eligible funds in your SPTC account exceeds the amount of checks and bill-pay items presented, we will transfer the exact amount necessary from your SPTC account to cover all items presented. If the amount of your check and bill-pay transactions presented exceeds the amount of eligible funds in your SPTC account, no payments will be made. Such debits will overdraw your account and may be paid or returned at our discretion and without prior notification. A fee may be assessed for any other debit transactions that overdraw your account, in accordance with our Schedule of Fees.

In addition, you may elect to have Overdraft Protection through automatic transfers from one or more designated savings, money market, or line of credit accounts. The designated account is known as a **"Donor Account."** Your designated Donor Account will be used to prevent overdrafts in your selected checking account that may be caused by the following debit transactions: checks drawn on your account, preauthorized electronic deductions, ATM transactions, ACH transfers, fees we charge, and other debit transactions you have selected for your account. The Bank will access the Donor Account for funds first, and then the SPTC account, if the Donor Account is unable to satisfy the overdrafts. Your SPTC account is separate from any Donor Account at the Bank and may not be available to cover ATM, ACH, wire, or debit card transactions.

The amount transferred from your Donor Account will depend upon the amount of the debit transactions presented against insufficient funds and upon the available balance in the Donor Account. If the amount of available funds in your Donor Account exceeds the amount of debit transactions presented, we will transfer the exact amount necessary from your Donor Account to cover all items presented. If the amount of debit transactions presented exceeds the amount of available funds in your Donor Account, we will transfer the amount needed to pay the checks and other debit transactions that we can. Any remaining debit transactions will overdraw your account and may be paid or returned at our discretion and without prior notification. A fee may be assessed for any other debit transactions that overdraw your account in accordance with our Schedule of Fees.

Joint Accounts

If you elect to use a line of credit or Deposit Account as your Donor Account and ownership is different from your checking account, or if ownership of the linked SPTC account is different from your checking account, you agree that all joint signers on the checking account may process transactions that overdraw the account prompting a transfer of funds from your Donor Account or SPTC account. You agree that you will

hold the Bank harmless for any transfer from your Donor Account or SPTC account and further agree that you will be liable for all amounts owed on your Donor Account, when the Donor Account is a line of credit account, even if you did not originate or gain benefit from the transaction that triggered the transfer from your Donor Account.

Federal regulations limit the number of certain transactions each month involving savings accounts and money market accounts. For information and limitations, please refer to our Truth in Savings Disclosure and review the restrictions that apply to the type of account you have designated as your Donor Account.

Lines of Credit

If you select a Securities Backed Line of Credit ("SBLOC") account as your Donor Account, funds will be transferred in accordance with the terms and conditions of that account. A transfer will only occur if you have sufficient available funds in the SBLOC account. You agree not to exceed the available credit limit we set for the account. If your SBLOC account is 20 or more days delinquent, a transfer will not occur and fees may be charged for any overdrawn item in accordance with our Schedule of Fees. Please refer to your SBLOC agreement and disclosures for applicable interest and fees that may be charged in the event that an overdraft transfer occurs.
