Important Information about the Cash Access Account

Sweeps and Target Balances

Funds will be swept to fund your account on the first business day after it is opened. This will occur regardless of whether additional deposits are included with the application. The monthly sweep will take place on the 20th day of each month (or the first business day thereafter) to reach the Target Minimum or Target Maximum balance you elect in Part 3 of this application. If you do not designate a Target Minimum balance for the CAA, it will be set at \$5,000. Designating a Target Maximum balance is optional.

Overdrafts

Checks and bill-pay items presented for payment that exceed the amount of available funds in the account will overdraw CAA accounts. Payment will be satisfied as described below. ATM withdrawals, debit card point-of-sale purchases, outgoing wire transfer requests and outgoing ACH transfer requests will not overdraw CAA accounts, as they will be declined at the time they are requested if the account does not hold sufficient funds.

Overdrafts on the SEI CAA will be satisfied from your various accounts in the following order:

1. Securities Backed Line of Credit, if applicable
2. Money Market assets in linked SEI Private Trust Company (SPTC) account (includes DCA/Holding Money Markets)

Please note that mutual funds or other assets held at SEI will not be liquidated to satisfy an overdraft.

Financial Professionals

With regard to this application and the CAA Program relationship, your "Financial Professional" is your investment advisor. In cases where SEI Investments Management Corporation is your investment advisor, your Financial Professional is the representative who interacts on your behalf with SEI.

TotalCash® Manager Information for Financial Professionals**

The CAA Program allows Financial Professionals to monitor their clients' accounts through TotalCash® Manager (TCM), an Internet-based tool. In order for a Financial Professional firm to participate in TCM, one firm representative must complete and submit a **TCM Access Authorization Agreement**. The form only needs to be completed and submitted once per firm. The form may be found on SEI's BusinessBuilder site, and detailed information about the form is available on the Financial Professional site at www.seicaainfo.com.

Submission of Application

Please **mail or fax** the completed, signed CAA application and the required documentation listed above, as applicable, to:

SEI Private Trust Company
Attn: Advisor Network (Service Team)
P.O. Box 1098
Oaks, PA 19456-9907
Fax: 610.676.1021 (include the number of pages being faxed)

Note: *For faster processing, please send the application to SEI's Oaks office, not to our corporate headquarters in Delaware.*

There is no need to submit a check for initial deposit with your application, because funds will be swept from your linked SPTC account to fund your CAA the first business day after your CAA is opened. **If there are special circumstances, however, initial deposits by check may be mailed with this application form.** Make checks payable to SEI Cash Access, and include on the "memo" line the name of the Trust applicant. *Note that funds will be swept into your account the first business day after it is opened, regardless of whether you submit a check for deposit with your application.*

Please note that for new customers, special extended holds on deposits will apply during the first 30 days after account opening. For details, visit our Web site and navigate to Disclosures and Privacy Practices.

Account Processing

You will receive the following items, as applicable, an average of 7-14 business days after account opening:

- Welcome email/letter, which includes your password for online account access
- Welcome Kit (if this is your first account with SEI Cash Access), which includes your user ID for online account access and instructions for getting online

Important Information About Procedures for Opening a New Account

The SEI Cash Access Account (CAA) program is only available to: (a) accounts registered to U.S. account holders with U.S. addresses; (b) accounts that are not pledged to an outside institution; and (c) accounts for which distributions/withdrawals are not restricted.

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify and record information that identifies each customer who opens an account. What this means for you: when you open an account, we will ask you your name, address, date of birth and other information that will allow us to identify you. We may also ask to see a copy of your driver's license or other identifying documents.

Please read and complete the entire application form (Parts 1-11, as applicable) and Certification of Beneficial Owner(s). Please keep a copy of the application for your records.

PART 3: SEI Cash Access Target Balance Elections and Instructions for Monthly Sweeps

SEI Cash Access Account Target Balance Elections

Starting the first business day after your account is opened, and subsequently on the 20th day of each month (or the first business day thereafter), funds will automatically be transferred to or from your SEI CAA according to your instructions below.

The **Target Minimum balance** is the **lowest** amount you would like available in this checking account after the monthly sweep. If your checking account balance is less than your Target Minimum amount, we will sweep funds from your linked SPTC account to your CAA to bring your checking account balance up to this minimum.

The **Target Maximum balance** is the **highest** amount you would like available after the monthly sweep. If your checking account balance is more than your Target Maximum, we will sweep funds from your CAA to your linked SPTC account to bring your checking account balance down to that maximum.

Provide your target minimum and maximum (optional) balances below.

CAA Target Minimum Balance: If no amount is entered, minimum will be set at \$5,000.	\$ _____ (minimum of \$5,000) This amount also reflects the initial funding amount for the account that will take place the first business day after account opening, regardless of whether additional deposits are submitted with the application.
CAA Target Maximum Balance: (optional)	\$ _____ (optional)

The **automatic sweep to the SEI CAA** will be satisfied from your linked SPTC account in the following order:

1. Money market assets in linked SPTC account (excludes DCA MMs)
2. Additional assets (collected using the default raise cash method on the linked SPTC account)

Please note:

- Non-mutual fund assets (i.e., stocks and bonds) with allocations in a strategy may be liquidated to satisfy the automatic target balance.
- When an account has multiple portfolios, the portfolio with a strategy assigned to it will be accessed to raise cash. If no strategy exists, cash will be raised via the default non-strategy raise cash method. In both instances, the portfolio with the highest market value will be accessed.
- **DCA money market funds are excluded from the monthly sweep.**
- Please contact your Financial Professional for details regarding how cash will be raised for your specific account.

The **automatic sweep to the linked SPTC account** from your SEI CAA will be credited in the following manner:

Standard Account with One Portfolio	Standard Managed Account with Overlay	Multiple Capital Portfolios
Funds will be credited to portfolio	Funds will be credited to transitory cash portfolio	Funds will be credited to the portfolio with the largest existing cash position

PART 4: Account Activity

Please indicate the anticipated transaction volume and dollar amounts of account activity. Your estimates should include both incoming and outgoing transactions. To avoid a delay in processing, each transaction type **MUST** be completed in its entirety.

PART 11: Regulation E – Electronic Fund Transfers and Related Disclosures

The following is an excerpt from our full Terms and Conditions regarding your rights and responsibilities concerning electronic bank services. Terms referenced in the excerpt are defined as follows:

Definitions

This Account Agreement (the "Agreement") contains the rules that govern, where appropriate, your account(s) with The Bancorp Bank (the "Bank," "we," or "us").

The words "you" and "your" mean each account owner and anyone else with authority to deposit, withdraw, or exercise control over an account. If there is more than one owner, then these words mean each account owner separately, and all account owners jointly.

An "Owner" is one who has the power to deal with an account in his, her, or its own name.

An "Agent," in contrast, is one whose power to withdraw from an account comes from, or is on behalf of, the Owner(s). Authorized signers, designated corporate officers, trustees, attorneys-in-fact, and convenience signers are examples of Agents.

Entities such as corporations, limited liability companies, partnerships, estates, conservatorships, and trusts are not natural persons, and can only act through agents. In such cases, it is the "Entity" that is the Owner.

"Personal Accounts" is an account in the name of natural person(s) (i.e., individuals). This is distinguished from a "Non-Personal Account" which is an account in the name of a corporation, partnership, trust or other Entity.

"Deposit Account" means any checking account, savings account, or money market account opened with the Bank.

"Demand Deposit Account" or "DDA" means an account which may or may not be interest-bearing for which available funds are payable on demand with no notice restrictions and no ownership eligibility restrictions. "Financial Service" means a Deposit Account, overdraft credit account, Funds Transfer Service, or any other financial product or service available through the Bank.

"CAA" means SEI Cash Access Account.

"CMA" means SEI Cash Management Account.

"SPTC" means SEI Private Trust Company.

Unless it would be inconsistent to do so, words and phrases used in this Agreement should be construed so that the singular includes the plural and the plural includes the singular.

Types of Electronic Fund Transfer Services

Not all services offered are applicable to every account. For questions about your particular account and the availability of electronic fund transfer services, including overdraft protection and ACH, ATM/debit card, and telephone and online transfer features, please contact the Client Experience Team using the contact information appearing at the beginning of this Agreement.

ATM and Debit Card Transactions

Consistent with applicable law and restrictions described below, you may use your ATM or debit card with your personal identification number ("PIN") to perform most routine transactions on the accounts that are accessible through use of your ATM or debit card.

You can use your ATM or debit card and PIN to:

- Make cash withdrawals
- Make deposits of cash, checks, or drafts
- Transfer funds among Bank accounts linked to the same card
- Obtain your most recently available account balance
- Pay for purchases at places that have agreed to accept the card

Some of the above-described services may not be available at all ATMs or locations.

ATM and debit card restrictions include, but are not limited to, restricted geographic or merchant locations where there is a higher risk of fraud or illegal activity; restrictions to comply with laws or prevent our liability; and other restrictions to prevent fraud and other losses.

If you are under the age of 18, you are not permitted to have an ATM or debit card in your name.

International ATM Transactions

ATM or debit card international transactions are converted to U.S. currency according to the rules and regulations of the ATM network. The conversion of the international currency to U.S. currency may occur on a date other than the original transaction date and fees may be assessed by these networks. You are responsible for the U.S. currency amount plus any fees assessed for the currency conversion. Some services may not be available at international ATM terminals. International ATM transactions may be subject to a fee in accordance with our Schedule of Fees.

Primary Account

"Primary Account" means the checking or savings account linked as the primary account to an ATM or debit card for purposes of making purchases or withdrawing cash. This linkage designation is determined at the time a card is requested and can be changed upon request. Any additional accounts linked to an ATM or debit card can only be accessed via ATM if the option is made available by the ATM owner/operator.

ATM Deposits

Deposits made through an ATM are posted to your account according to the terms and conditions of your account as outlined in this Agreement. The funds will become available for your use in accordance with the schedule outlined in our Funds Availability Policy disclosure. Not all ATM terminals accept deposits. Credit for each deposit made at an ATM is subject to verification of each item deposited in accordance with applicable law. Additional delays may occur resulting in a total of nine (9) business days' delay if the Bank believes the verification process will take additional time and has reason to doubt the validity of a deposit. You will be notified if there is an additional delay in the availability.

ATM Card Point-of-Sale Transactions

Consistent with applicable law and subject to restrictions described in this Agreement, you may use your ATM card with your PIN at any retail establishment where ATM cards are accepted to purchase goods and services and/or to obtain cash where permitted by the merchant. The amount of all purchases, including any cash obtained, will be deducted from your Primary Account.

Debit Card Point-of-Sale and Other Transactions

Consistent with applicable law and subject to restrictions described in this Agreement, you may use your debit card to purchase goods and services everywhere Visa® debit cards are accepted and your debit card can be used to obtain cash from any ATM or any POS device, as permissible by a merchant that bears the Visa®, NYCE®, Plus®, Pulse® or STAR® acceptance mark(s). The merchant may require your signature instead of your PIN to authorize the purchase request. The amount of all purchases, including any cash obtained, will be deducted from your Primary Account.

If you use your debit card number without presenting your card (such as for a mail order, telephone, or Internet purchase), the legal effect will be the same as if you used the card itself.

For security reasons, we may limit the amount or number of transactions you can make on your debit card. You may not use your debit card for illegal online gambling or any other illegal transaction.

When you make a purchase through the card network, we may place a hold on the funds in your Primary Account in the amount that may be necessary to cover the amount of the transaction. (Please see the section titled "PREAUTHORIZATION HOLDS" for additional information.)

Limitations on Frequency of Transactions and Cash Withdrawal Limits

Frequency-of-use limitations are imposed on ATM transactions for security reasons and for the protection of your account. They are not disclosed for this reason and may be changed at any time. You will be denied the use of your ATM or debit card if:

- You exceed the daily ATM withdrawal or purchase limit;
- You do not have sufficient available funds in your account;
- You do not enter your correct PIN; or
- You exceed the limit on the number of times you can use your card each day.

PART 11 (continued from previous page)

The receipt provided by the ATM or merchant terminal will notify you of the denial. There is a limit on the number of such denials permitted, beyond which the machine may retain your ATM or debit card. The number of attempts that will cause the retention of your ATM or debit card is also not disclosed for security reasons.

The number of debit or withdrawal transactions you make may be limited per statement cycle under Regulation D. Please see section header: "LIMITATIONS ON WITHDRAWALS."

Dollar limitations vary according to account type and Access Device and are detailed in the following table:

ATM/Debit Card Transaction Limits ATM Withdrawals	Daily Limit \$1,000
Individual Debit Transactions (PIN or Signature)	\$10,000
Total Daily Debit Transactions (PIN or Signature)	\$10,000
Number of Debit Transactions (PIN or Signature)	No Limit
Number of ATM Withdrawals	No Limit

Rules of Card Association (Visa®)

If you report the loss or theft of your Visa® debit card within 2 business days of when you discover the loss or theft of the card, and you have not been grossly negligent or have not engaged in fraud, you will not be liable for any unauthorized transactions using your lost or stolen debit card, when used for signature-based POS transactions. If you do not advise us within 2 business days, your liability is the lesser of \$50 or the amount of money, property, labor or services obtained by the unauthorized use before notification to us.

Processing Procedures – Visa® Debit Card

If you have a Visa® debit card, procedures in effect may impact you when you use your card at certain merchants. In the past, transactions were processed as Visa® debit transactions unless you entered a PIN. Now, if you do not enter a PIN, transactions may be processed as either a Visa® debit transaction or a transaction processed by another network listed on the back of your card. Merchants are responsible for providing you with a clear way of choosing to make a Visa® debit transaction, if they support the option.

If a network other than Visa® is used when making a transaction without a PIN, different terms may apply. Certain protections and rights described in this Agreement are applicable only to Visa® debit transactions and do not apply to transactions processed by another network.

Preauthorization Holds

When your debit card or other network enhancement feature related to the card is used at a POS location to obtain goods or services or obtain cash, the merchant may attempt to obtain preauthorization from us for the transaction. We place a 10-business-day hold on your Primary Account for the amount of the preauthorization request, which may vary in some cases from the amount of the actual purchase, depending on the merchant's request. If the preauthorization request varies from the amount of the actual transaction, payment of the transaction may not remove the hold, which will remain on the account until the end of the tenth (10) business day. This hold may affect the availability of funds from your account to pay checks or for other electronic fund transfers. We will not be responsible for damages for wrongful dishonor of any items that are not paid because of the hold.

Preauthorized Debits or Credits ("ACH")

You may arrange to have certain recurring payments automatically deposited (i.e., credited) to your account. Examples of this service include the direct deposit of Social Security and other government payments, and the direct deposit of your pay or wages.

You may arrange to have certain recurring withdrawals automatically paid (i.e., debited) from your account. For example, you may arrange to have insurance premiums paid automatically.

These preauthorized transfers are governed by federal regulations pertaining to electronic fund transfer services that entitle you to certain protections. Requests for these services must be authorized by you, in writing, to the originator of the transaction prior to becoming effective.

Electronic Check Conversion

You may authorize a merchant or other payee to make a one-time electronic payment from your CAA or CMA using information from your check to:

- Pay for purchases
- Pay bills

Right to Stop Payments and Preauthorized Electronic Payments and How to Do So

If you have authorized regular payments out of your account, you can stop any of these payments by notifying the Client Experience Team at the contact information appearing at the beginning of this Agreement. If you notify us by telephone, you may be required to confirm the information provided by writing to us at the address appearing at the beginning of this Agreement.

Your request must include your account number, the name of the payee, the amount of the item to be stopped, and the date payment was scheduled to be made. This request needs to be received by us 3 or more business days before the payment is scheduled to be made. Oral requests not confirmed in writing to us within 14 days are not binding upon the Bank. A stop-payment fee may be charged for each stop-payment and renewal order you request in accordance with our **Schedule of Fees**.

If you want to permanently revoke a recurring preauthorized electronic transfer you authorized from a third party, you will need to request that the originating third party cancel your preauthorized transfer in a manner they specify. If you then request us to apply a stop payment on the revoked recurring transfer, we may ask you to provide us with a copy of evidence of your revocation request to the originating third party and sign a "Stop Payment Form" request with us.

You are subject to the general rules of Stop-Payment Orders in this Agreement.

Stop-Payment Liability

If you order us to stop payment on any preauthorized transfer according to the requirements above and we fail to do so, we will be liable for your proven loss or damages, unless:

- You failed to give us enough information, proper instructions or sufficient time to act on the stop-payment; or
- We do not receive written confirmation of your telephone or email request to stop payment within 14 calendar days, and the preauthorized transfer occurs after the 14 calendar days.

In any case, we will only be liable for actual proven damages if the failure to make your transaction resulted from a bona fide error on our part, despite our procedures to avoid such errors. If we pay a preauthorized transfer over your valid and timely stop order, we may re-credit your account. If we do this, you will sign a statement describing the dispute with the payee. You agree to transfer to us all of your rights against the payee. In addition, you will assist us in any legal action taken against the payee.

Notice of Varying Amounts

If authorized regular payments may vary in amount, the third party you are paying will provide the payment amount at least 10 days before each payment, along with the payment date. Or you may receive notice according to other choices you may have made with the third party you are paying.

Our Liability for Failure to Complete an Electronic Fund Transfer

If we fail to complete an electronic fund transfer transaction on time or in the correct amount when properly instructed by you, we will be liable for your losses or damages caused by our failure unless:

- 1) There are insufficient funds in your account to complete the transaction through no fault of ours. A fee may be charged in accordance with our **Schedule of Fees**;
- 2) The funds in your account are unavailable. A fee may be charged in accordance with our **Schedule of Fees**;
- 3) The funds in your account are subject to legal process;
- 4) The transaction you request would exceed the funds in your account plus any available overdraft credit. A fee may be charged in accordance with our **Schedule of Fees**;
- 5) The ATM system has insufficient cash to complete the transaction;
- 6) Your card has been reported lost or stolen and you are using the reported card;
- 7) We have a reason to believe that the transaction requested is unauthorized;
- 8) The failure is due to an equipment breakdown that you knew about when you started the transaction at an ATM or merchant terminal;
- 9) You attempt to complete a transaction at an ATM or merchant terminal that is not a permissible transaction listed above;
- 10) The transaction would exceed security limitations on the use of your ATM or debit card; or
- 11) If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken.

PART 11 (continued from previous page)

In any case, we shall only be liable for actual proven damages if the failure to make the transaction resulted from an honest error despite our procedures to avoid such errors.

Fees and Charges

You will pay any applicable fees and charges we assess for your card services and/or other electronic services that you select. Applicable fees will be deducted from your account and appear on your account statement. These charges and fees are assessed in accordance with our Schedule of Fees.

We do not charge you a fee to use your card at an ATM within the United States or internationally, or to make a POS purchase. A fee may be assessed by the ATM owner for use of the ATM and you may be charged a fee for a balance inquiry even if you do not complete a fund transfer.

You may be assessed a fee by the card association, for example Visa® or MasterCard®, for using your card at an ATM or making a POS purchase. These fees are assessed in accordance with the Schedule of Fees.

Confidentiality

We will disclose information about your account or the transactions you make to third parties:

- 1) Where it is necessary to complete transactions;
- 2) To verify the existence and standing of your account with us upon the request of a third party, such as a credit bureau or merchant; or
- 3) In accordance with your written permission; or
- 4) In order to comply with court, governmental, or administrative agency summonses, subpoenas or orders; or
- 5) On receipt of certification from a federal agency or department that a request for information is in compliance with the Right to Financial Privacy Act of 1978.

Unauthorized Transfers and Consumer Liability

Tell us AT ONCE if you believe your ATM or debit card and/or PIN has been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning us at the phone number appearing at the beginning of this Agreement is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If you tell us within 2 business days after you learn of the loss or theft of your ATM or debit card and/or PIN, you can lose no more than \$50 if someone used your ATM or debit card and/or PIN without your permission.

If you do NOT tell us within 2 business days after you learn of the loss or theft of your ATM or debit card and/or PIN, and we can prove we could have stopped someone from using your ATM or debit card and/or PIN without your permission if you had told us, you could lose as much as \$500.

Also, if your statement shows transfers that you did not make, including those made by card, code or other means, tell us at once at the phone number appearing at the beginning of this Agreement. If you do not tell us within 60 days after the statement was mailed or made available to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

You may be required to confirm the information provided over the phone in writing, by writing to us at the address appearing at the beginning of this Agreement.

Contact in the Event of an Unauthorized Transfer

If you believe your ATM or debit card and/or PIN has been lost or stolen, telephone, write, or email us at the phone number or addresses appearing at the beginning of this Agreement.

You should also call us at that number or write to us at that address if you believe a transfer has been made using the information from your check without your permission.

ATM/Debit Card Revocation

You agree that your ATM or debit card remains the property of the Bank, shall be surrendered upon demand, and may be revoked or cancelled at any time.

If you do not use your ATM or debit card for six (6) consecutive months, it may be cancelled for security reasons and will be unusable. This may occur without prior notice to you.

If your card is reissued or reactivated, a fee may be assessed for its reissue in accordance with our Schedule of Fees.

Business Days

For purposes of these disclosures, our business days are Monday through Friday. Saturdays, Sundays and federal holidays are not considered business days.

PIN and Passwords

The PIN and passwords are identification methods that are both personal and confidential. You are required to use your PIN with your ATM or debit card at an ATM or ATM merchant terminal. It is a security method by which we help you maintain the security of your account. Passwords are another security method that maintains the security of your account and the transactions you process online. Therefore, you agree to take all reasonable precautions to protect the confidentiality of your PIN, Passwords, and/or other Access Device. As such, you agree that you will not reveal your PIN, Password, or any other Access Device, to any person not authorized by you to use your ATM or debit card; not write your PIN or Password on your card or on any item kept with your ATM or debit card; and not leave a computer or mobile device unattended after you have logged on using your Password.
